Step 2: Hull

Sketch the hull with a rounded rectangular shape. Notice the hump created by the shoulder blades.

3

Step 3: Legs

Now draw the legs of the reindeer. Maintain a natural posture. Use small circles to show the joints where the hind legs are slightly bent and already indicate the hooves.

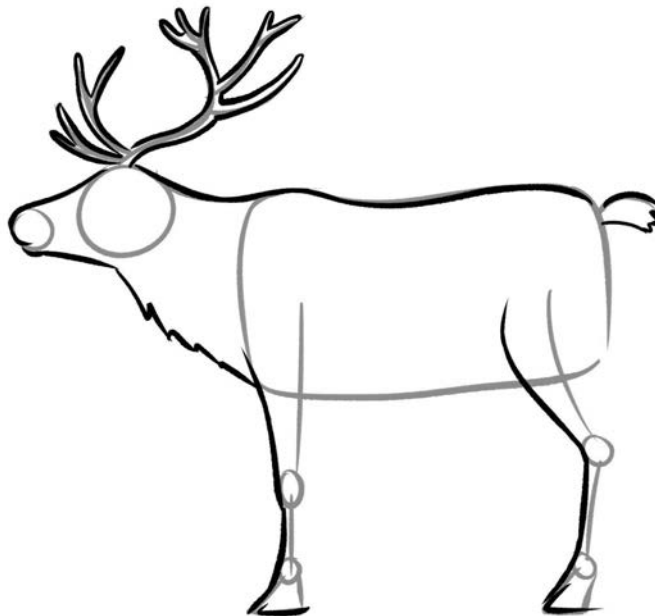

4

Step 4: Antlers, Neck and Base

of Tail Sketch the antlers and connect the guidelines to form the neck and nose.

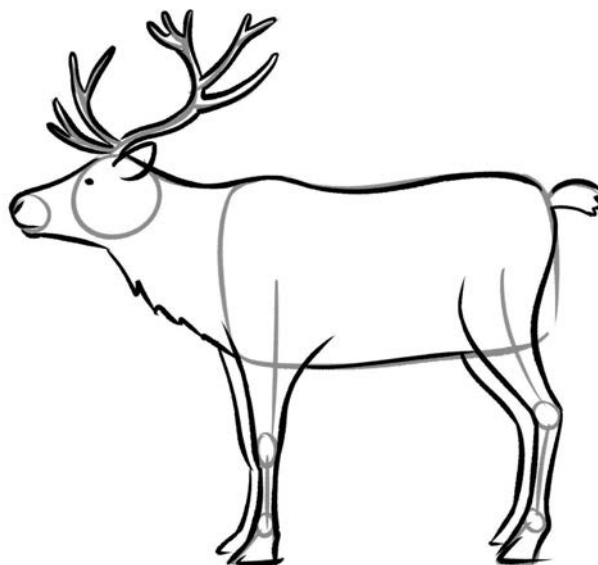

5

Step 5: First final contours

From now on, use a drawing pen. First, use it to trace the outlines of the head, torso, and antlers. Look out for small spikes on the neck caused by the fur of the animal.

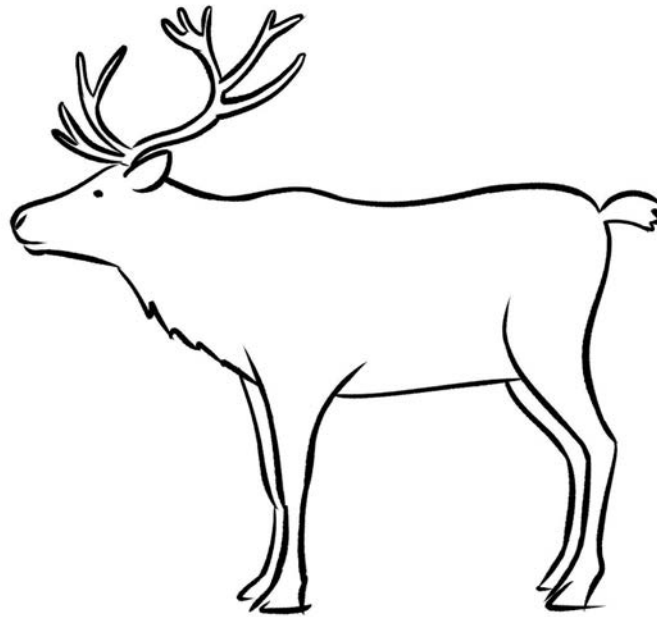

6

Step 6: Completing the silhouette

Use the pencil to complete the legs, tail, face and ears.

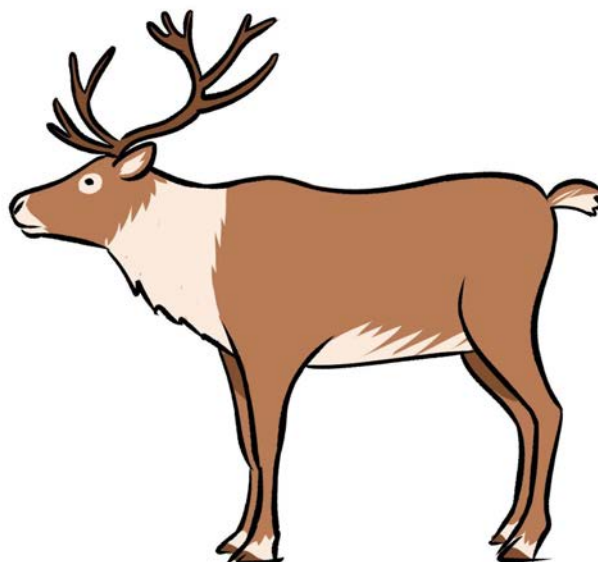

7

Step 7: Remove the

guidelines Carefully erase the underlying pencil drawing and any guidelines.

8

Step 8: Coloring

In the last step you can color your reindeer. You can create a three-dimensional effect by shading or using light and dark colors to make the reindeer look even more realistic.
